

The School of Electrical, Computer and Energy Engineering at Arizona State University invites applications for a full-time postdoctoral researcher in the area of Information Networks and the broad area of Network Science. Candidates must have received, or expect to receive soon, a Ph.D. degree in EE, Math, or CS, and should have a strong research record in related areas, such as probability, optimization, network management. Knowledge of statistical learning will be a plus. Candidates with interest in fundamental research are particularly encouraged to apply.

The position starting time is Fall 2010, and runs for 2~3 years. Interested candidates should send their CV to Prof. Junshan Zhang, at [junshan.zhang@asu.edu](mailto:junshan.zhang@asu.edu).

Arizona State University is an Equal Opportunity/Affirmative Action employer.
